JOURNAL OF SPEECH AND HEARING DISORDERS

VOLUME 13, 1948

Abstracts of current articles. Mary Huber, Editor 82, 147, 286, 393
American Hearing Society. Helen Scriver 260
Analysis of speech correction work by states. Martin F. Palmer 151
Analysis of Wood's articulation index. Ernest H. Henrikson 233
American Speech and Hearing Association
  Annual Directory, 1948 153
  Convention, 1947, report of 8
  Convention, 1948, program 289
  Council meeting, report of 150
Ansberry, Merle. The veterans administration program in the fields of audiology and speech correction 115
Anticipatory speech responses in children with articulatory defects. Mary Ellen Hull 268
Aphasia
  A physician's account of his own 24
  Aphasics, techniques in the management of 294
Articulation
  Index, analysis of Wood's 233
  Articulatory defects, anticipatory responses in children with 268
  Articulatory disorders, follow-up in the correction of 332
Artley, A. Sterl. A study of certain factors presumed to be associated with reading and speech difficulties 351
Audiology, veterans administration program in the field of 115
Audiometric tests of speech defective college students. Inez E. Hegarty and Virginia R. Miller 361

Baker, Herbert Koepp. (See Harkins, Cloyd S.)
Book reviews. Ernest H. Henrikson, Editor 87, 143, 283, 385
Bryngleson, Bryng. Personnel counseling and the speech clinic 107

Cerebral palsy team, the speech correctionist on the 67
Clark, Ruth M. Supplementary technique to use with secondary stutterers 131
Cleft palate
  cases, practical techniques in speech training for 71
  prosthesis, twenty-five years of 23
Cooperation in a public school speech correction program. Thomas D. Houchin 247
Cypreansen, Lucile. Group therapy for adult stutterers 313

Description of the speech clinic at the Minneapolis Veterans Hospital. Alice M. Welsh 372
Diagnosis and prognosis in cleft palate speech. Claude E. Kantner 211
Doerfler, Leo G. Neurophysiological clues to auditory acuity 227
Dub, Alfredo. Great psychological effects of a minor speech defect. 251

Environmental factors in relation to the speech of cerebral palsied children. Phillip N. Hood, Kenneth H. Shank, and Doris B. Williamson 325
Evaluating the efficiency of group screening tests of hearing. Hayes A. Newby 236
Experimental program for hard of hearing children. D. E. Morley 337

Falconer, George A. The reliability and validity of monitored connected discourse as a test of the threshold of intelligibility 369
Follow-up in the correction of functional articulatory disorders. Vivian Roe 332
Formal call for papers. Program committee 114
Freestone, Norman W. The wish for defective speech 119
Froeschels, Emil. Should a speech therapist be a voice therapist? 346
Fundamentals in the treatment of communicative disorders caused by hearing disability: Part I. William G. Hardy and Miriam D. Pauls 35
Fundamentals in the treatment of communicative disorders caused by hearing disability: Part II. William G. Hardy and Miriam D. Pauls 96

Great psychological effects of a minor speech defect. Alfredo Dub 251
Group therapy for adult stutterers. Lucile Cypreansen 313

Hard of hearing children
  Experimental program of 307
  Public school program for 256
Hardy, William G., and Pauls, Miriam D. Fundamentals in the treatment of communicative disorders caused by hearing disability: Part I. 35
Hardy, William G., and Pauls, Miriam D. Fundamentals in the treatment of communicative disorders caused by hearing disability: Part II 96
Harkins, Cloyd S., and Baker, Herbert Koepp. Twenty-five years of cleft palate prosthesis 23
Hawk, Sara Stinchfield. Personality measurement in speech correction 307
Hearing
  American hearing society 260
  disability, fundamentals in the treatment of communication disorders caused by 35, 96
  Tests of, evaluating the efficiency of group screening 236
  therapy, Ohio looks ahead in 55
  Threshold of intelligibility, reliability and validity of monitored connected discourse as a test of 369
Hegarty, Inez E., and Miller, Virginia R. Audiometric tests of speech defective college students 361
Hood, Phillip N., Shank, Kennon H. and Williamson, Doris B. Environmental factors in relation to the speech of cerebral palsied children 325
Houchin, Thomas D. Cooperation in a public school speech correction program 247
Huber, Mary W., Editor. Abstracts of current articles 82, 147, 286, 394
Hull, Mary Ellen. Anticipatory speech responses in children with articulatory speech defects 268
Henrikson, Ernest H. An analysis of Wood's articulation index 233
Henrikson, Ernest H., Editor. Book Reviews 87, 143, 283, 385

Index to Volume 13, *Journal of Speech and Hearing Disorders* 397
Infant speech: development of vowel sounds. Orvis C. Irwin 31
Infant speech: the effect of family occupational status and of age on sound frequency. Orvis C. Irwin 320
